**Haloumi not suitable for a strict Paleo diet, however being a sheep & goat cheese it is allowed in some paleo diets.*

Apple balsamic is not suitable for those on a sugar free diet this can be omitted on request, French dressing will be used in its place.

Meredith fetta is a goats cheese not suitable for a strict Paleo diet, however being a goat cheese it is allowed in some paleo diets, this can be omitted on request.

Poached figs are paleo however are high in natural sugar, recommended in small amounts.
